BURNING UP

THE WORLD FAMOUS COFFEE

Huh?
Where... is this?

Hnn..

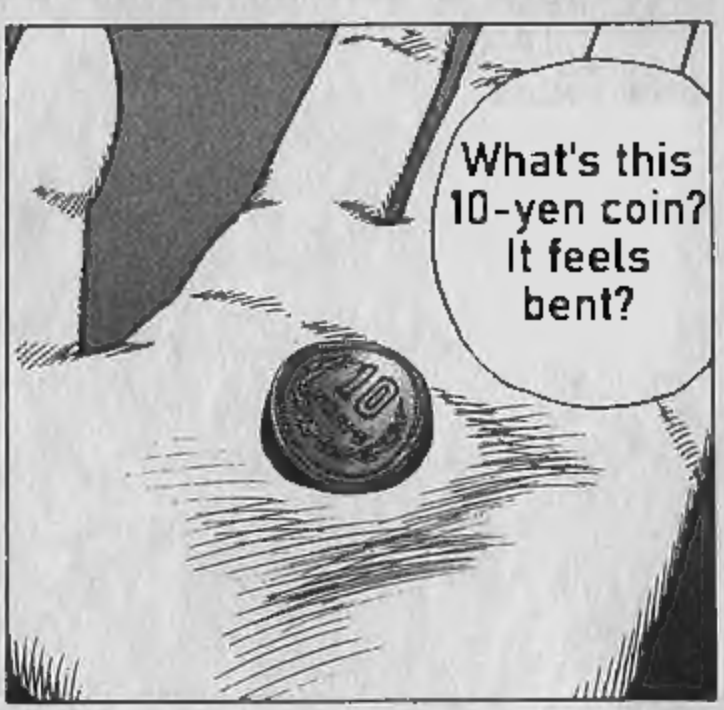
Ch- having to greet the morning with you filthy bastards...
Aah, that's right...

It's already morning.
You finally woke up?
Onizuka!
Kasai!

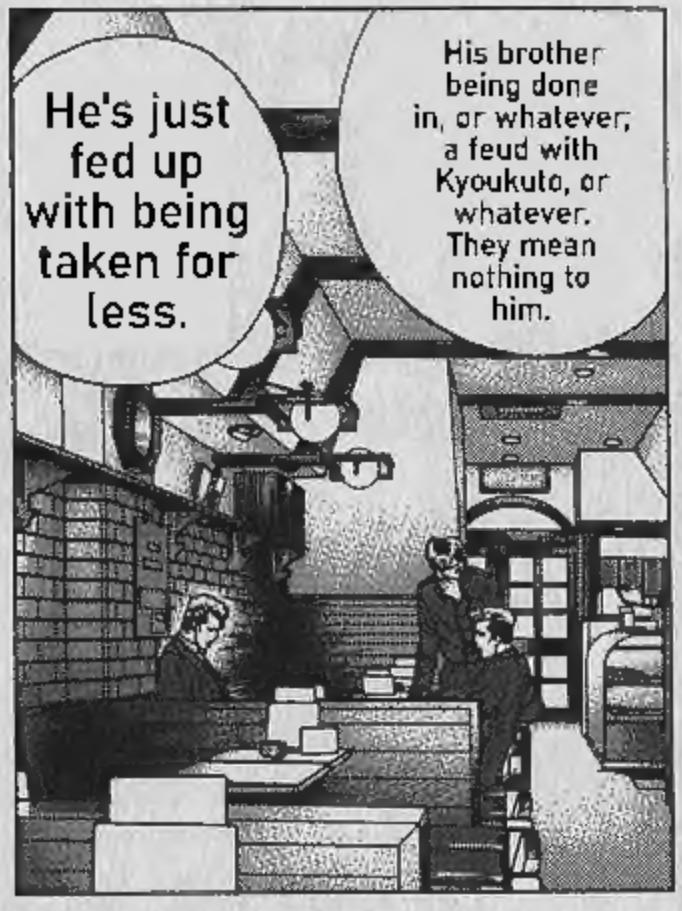
But, this is from the top of his uniform.
Ah?

Who knows?
Fwick
And Maeda is...?

All night long he tried to bend it back in place.
W- what!?
Kawashima did it with one hand.



What's this 10-yen coin? It feels bent?
10



He's just fed up with being taken for less.
His brother being done in, or whatever; a feud with Kyoukuto, or whatever. They mean nothing to him.

O-our opponent is a monster...

He's moving out of pride.
Even so, he's not being forced to do this.

.....

I also want to rip someone to shreds right now.
Hmph. Pride, huh?

Let's make you forget that pain, first.
Did your rib stop throbbing?

Fu-

.....

I'm gonna find your house one of these days and give you a ding-dong dash.
.....

!

Hmph. You...

Oh

Ha
Where were you? Going 'haha' all over the place, what a bad mood you set.
Haa

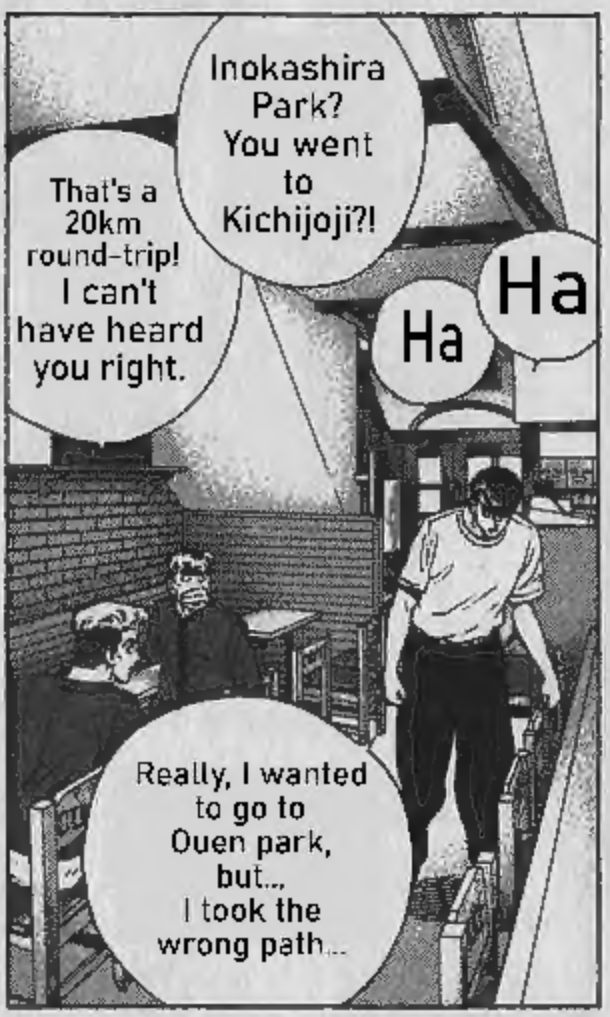
Ha
Ha
Ha
Maeda.

I-I ran all the way to the park...

To Ino-kashira Park!

You look so ragged from a jog in the Sunshine? It came to you to do it today?
Retard

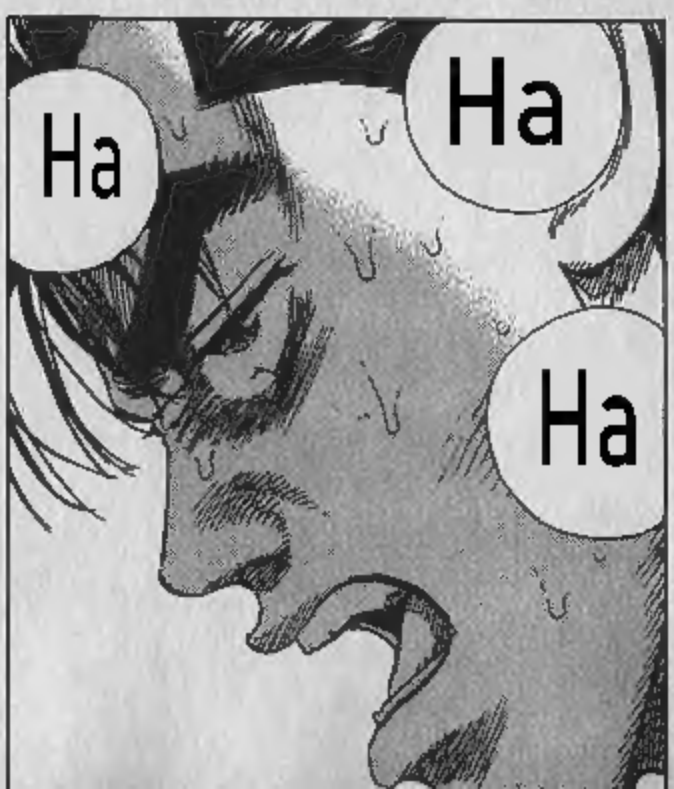
You didn't sleep.
Hmph. What a guy. And with the decisive battle just up ahead.



Inokashira Park? You went to Kichijoji?!
That's a 20km round-trip! I can't have heard you right.
Ha
Ha
Really, I wanted to go to Ouen park, but... I took the wrong path...

I kept remembering that bastard Kawashima's face...
I just couldn't.

Ka ka ka



Ha
Ha
Ha

It's morning, yo, morning!

Where could he have gone, that Maeda...

To Yakushiji, the days've melded together.
